

Celebrate a breath of fresh air!

Using grant funds provided by **Harbor Community Benefit Foundation**, Wilmington Health Center is opening a new respiratory clinic to fight asthma, emphysema, and COPD. New ADA improvements, funded by County of Los Angeles, include accessible restrooms, fountains, and an entrance ramp.

RIBBON-CUTTING CEREMONY

Speakers include:

Congresswoman Janice Hahn, Natural Resources Defense Council, Office of Supervisor Don Knabe, and the Port of Los Angeles.
